## Ciderfest President's Message

Welcome to the 38th Bridgetown Ciderfest! We are thrilled to have you join us for this longstanding annual celebration of all things apple. This festival is a testament to the spirit of our community and the values we hold dear: Fun, Food, Friends, and Family.

On behalf of the Bridgetown and Area Chamber of Commerce Society, I extend my heartfelt gratitude for your attendance at our cherished festival. Your presence and support play a vital role in making Ciderfest a resounding success year after year. This event would not be possible without each and every one of you.

A special note of appreciation goes out to our dedicated Ciderfest committee. Their tireless efforts, long hours, and unwavering commitment have shaped this year's festival into what promises to be an outstanding event. Their passion for our community is inspiring and truly commendable.

As a Chamber of Commerce, our mission is to foster business development, promote community engagement, enhance beautification, boost tourism, and unite the voice of our community. We are steadfast in our dedication to these core values, striving to make Bridgetown a thriving and harmonious place for all.

In the face of challenges, the support and resilience of our local merchants cannot be understated. Their commitment to keeping our town unique and distinctive is the backbone of our community's identity, and we extend our gratitude for their hard work and contribution.

But above all, it is YOU - the members of this wonderful community - who make this festival and town truly special. Your continued support for local businesses, your enthusiasm for community events, and your love for our little town exemplify the spirit of unity and diversity that binds us together.

Small town festivals like Ciderfest are not merely events; they are gatherings that bring us all closer as a community. The sense of togetherness, the camaraderie, and the shared experiences are what allow us to grow and prosper together.

So, as you enjoy the festivities, indulge in delicious cider, and partake in the numerous activities, remember that it is your presence that fuels the spirit of Ciderfest and our beloved Bridgetown. Let us celebrate with joy and gratitude, cherishing the memories we create here together.

Thank you once again for being a part of this grand celebration. Your participation makes all the difference.

Yours In Service  
Ro Allen, President - BACCS
